

Field Location

The fields are located in three different locations. Elliot Fields at the Ball Camp Complex serve as the headquarter fields for the tournament. In addition, to these fields, Pellissippi State fields, home of Region 128, along Pellissippi Parkway and U.S. Cellular fields along Lovell Road between I 40 and Pellissippi Parkway have games assigned to them. A fourth site, Nicholas Ball has three games scheduled on them.

Directions to the Remote Sites from the Ball Camp Fields

Turn left from entrance of Ball Camp Fields onto Hitching Post Lane. Drive to stop sign and turn left.

To Nicholas Ball:

Take first left and drive in back of ball fields to end of lane. Fields are on the other side walk bridge.

To U.S. Cellular Fields

Take Ball Camp to Middlebrook Pike. Turn Right onto MiddleBrook Pike. Take the first left onto Lovell Road. Drive past Pellissippi Pky entrance. Continue on until you see fields on your left. If you see I 40 ramps, you have past the fields.

To Pellissippi State Fields

Take Ball Camp to Middlebrook Pike. Turn Right onto MiddleBrook Pike. Continue on Middlebrook until a stop light. Continue on Hardin Valley past Pellissippi Parkway. Fields are immediately to your right. Parking is on both ends of the complex.
